You Want to Bring Up Your Children Amid the Most Pleasant Surroundings Possible, Don't You?

Of course you do! Undoubtedly a comfortable and attractive home has a refining influence upon children, and there are few of us who do not wish to bring up our little ones in as pleasant a home as we ought to give them.

It's our business to make homes pleasant. We gather the most attractive home furnishings it is possible to procure. We exercise every resource at our command to provide these furnishings for our patrons on the most economical basis.

Let us help you. We would suggest to start with, that you look at one of those Sanitary White Iron Cribs for the baby. Next a High Chair, in either combination style or straight chair with the convenient tray in front, will save the tired mother many hours of tending. Then comes the Little Chairs and Rockers. These are the Children's own property and not to be molested by the older ones. Then there are Pictures for the wall. Racks for the picture books and play things, and many other things that please the Children. Take a look in at these things, and bring the Children with you.

We can show you Iron Cribs with springs for \$5.00, 8.00, 9.00, etc.

The Daylight Store

Worse Than House Cleaning!

We are having the basement of our store made over into a salesroom, and as it has always been wet, are now having Boston parties put in an absolutely water tight basement. We have been obliged to move everything up stairs and in so doing must make some very low prices rather than see these goods soiled and spoiled.

THESE ALTERATIONS

Have disturbed almost all departments so much so that we are cutting prices below our regular custom in order to close some of these lots out.

We will not name but a few prices here. The goods will all be ready for sale Saturday, August 15, but not advertised in full until Tuesday, Aug. 18.

Then we will go over these values carefully with you and name prices.

NO NEED TO WAIT

As the first at this sale will no doubt show good judgment enough to get the best at the price we have.

There are in this sale all of our sheets and pillow slips. These are basement goods and will get soiled and we find now, already, that some have begun to get pretty well streaked up with dust from alteration changes.

You may be inconvenienced by the smell of coal tar. It's partly for this reason that we are making this sale.

WE ARE TRYING

To have the most of these spreads up on our bargain tables, handy to get at where you can see what you are paying for.

There are Skirts, Suits and Ladies' Jackets in this sale.

Ladies' garments are not kept in our basement, but basement goods have crowded our garment department and made it a perfect clutter. House cleaning is not in it. For a time that we do not know how to manage as well as the ladies do at these remodeling times.

Prices on Traveling Cases and Leather Bags are all reduced. (These are basement goods.)

Church and Clergy.

Cash registers are used in a church in Massachusetts.

The German Lutherans of the Missouri synod have decided to retain German as the official language of the church.

The Primitive Methodist Church of England has on its pension list 129 ministers, all of whom are over seventy-five years of age.

Although Rev. Thomas Spurgeon, the famous London preacher, is still in ill health, he is much better now than he has been for some years.

Rev. Lathrop Cooley celebrated the sixtieth anniversary of his entry into the ministry at North Eaton, O. He is now eighty-seven years old.

Looking into the Past.

An old lady in New York, celebrating the fiftieth anniversary of her wedding, grew reminiscent. It was forty years ago, she said, since she had her first clothes wringer, and fluting machines came in about the same time. People then had one disfigurement taken and put it in a frame. There were no egg beaters, no carpet sweepers, no faucets, no sewing machines, no street cars, electric lights and numerous other things now so common. The kitchen was full of tinware, and notwithstanding the fact that water had to be carried it must all be kept scoured. But one good thing of those old days, "fried girls," were paid only \$5 or at most \$7 per month.

The annual corn roast of the granite lodge No. 35, F. & A. M. will be held at John J. Sowles, Beckley hill, Wednesday evening, Aug. 19. All master masons in good standing are cordially invited. Per order, Com.

Stated Convocation of granite Chapter, No. 26, R. A. M. Tuesday evening at 8 o'clock. Per order E. H. P.

A regular meeting of Clan Gordon, No. 12, O. S. C., Monday evening at 7 o'clock. Jas. R. Coutts, Secy.
